Your Safety - Our Concern

Grenada Lake is for the enjoyment of everyone, but practicing safety should be an important part of your visit. Here are a few safety rules that should be observed.

- Personal floatation devices are recommended to be worn by all persons when boating.
- Obey all State of Mississippi Boating Laws.
- Be familiar with applicable U.S. Coast Guard Regulations.
- Have at least two people in the boat when pulling a skier, one to operate the boat and one to serve as an observer.
- Be aware that poisonous plants, fire ants, and snakes exist on the project.
- Children should remain under close supervision at all times.
- Safety while swimming and wading is the responsibility of the visitor.
- There are no lifeguards on duty.
- Helmets are required for all persons riding ATVs.
