SUBJECT: Approved Jurisdictional Determination – PA Prospect Corporation –  
Proposed Allen Commercial SWD Facility Project, Natchitoches Parish, Louisiana,  
MVK-2023-384

I refer to your request for an approved jurisdictional determination on behalf of PA Prospect Corporation for the proposed commercial SWD facility located in section 33 T10N-R9W and section 4 T9N-R9W, Natchitoches Parish, Louisiana (enclosure 1).

Based upon the information provided, we have determined that there are jurisdictional waters of the United States located within the boundary of the property subject to regulations pursuant to Section 404 of the Clean Water Act and Section 10 of the Rivers and Harbors Act (enclosure 1). Any work involving the discharge of dredged or fill material (land clearing, ditching, filling, leveeing, etc.) within jurisdictional waters will require a Department of the Army Section 404 permit prior to beginning work. For your information, I have enclosed a copy of an appeals form for this approved jurisdictional determination (enclosure 2).

This approved jurisdictional determination is valid for a period not to exceed five years from the date of this letter unless superseded by law or regulation. If the proposed work is not completed by this time, or if project plans change, you should contact this office for a reevaluation of permit requirements and refer to Identification No. MVK-2023-384 when submitting the information.

This determination of Department of the Army regulatory requirements does not convey any property rights, either in real estate or material or any exclusive privileges and does not authorize any injury to property or invasion of rights or local laws or regulations or obviate the requirement to obtain State or local assent required by law for the activity discussed herein.

The decision regarding this action is based on information found in the administrative record, which documents the District's decision-making process, the basis for the decision, and the final decision.

We are currently processing your permit application. If we may be of any further assistance in this matter, please contact [REDACTED] of this office, telephone [REDACTED], or e-mail address: [REDACTED].

Sincerely,

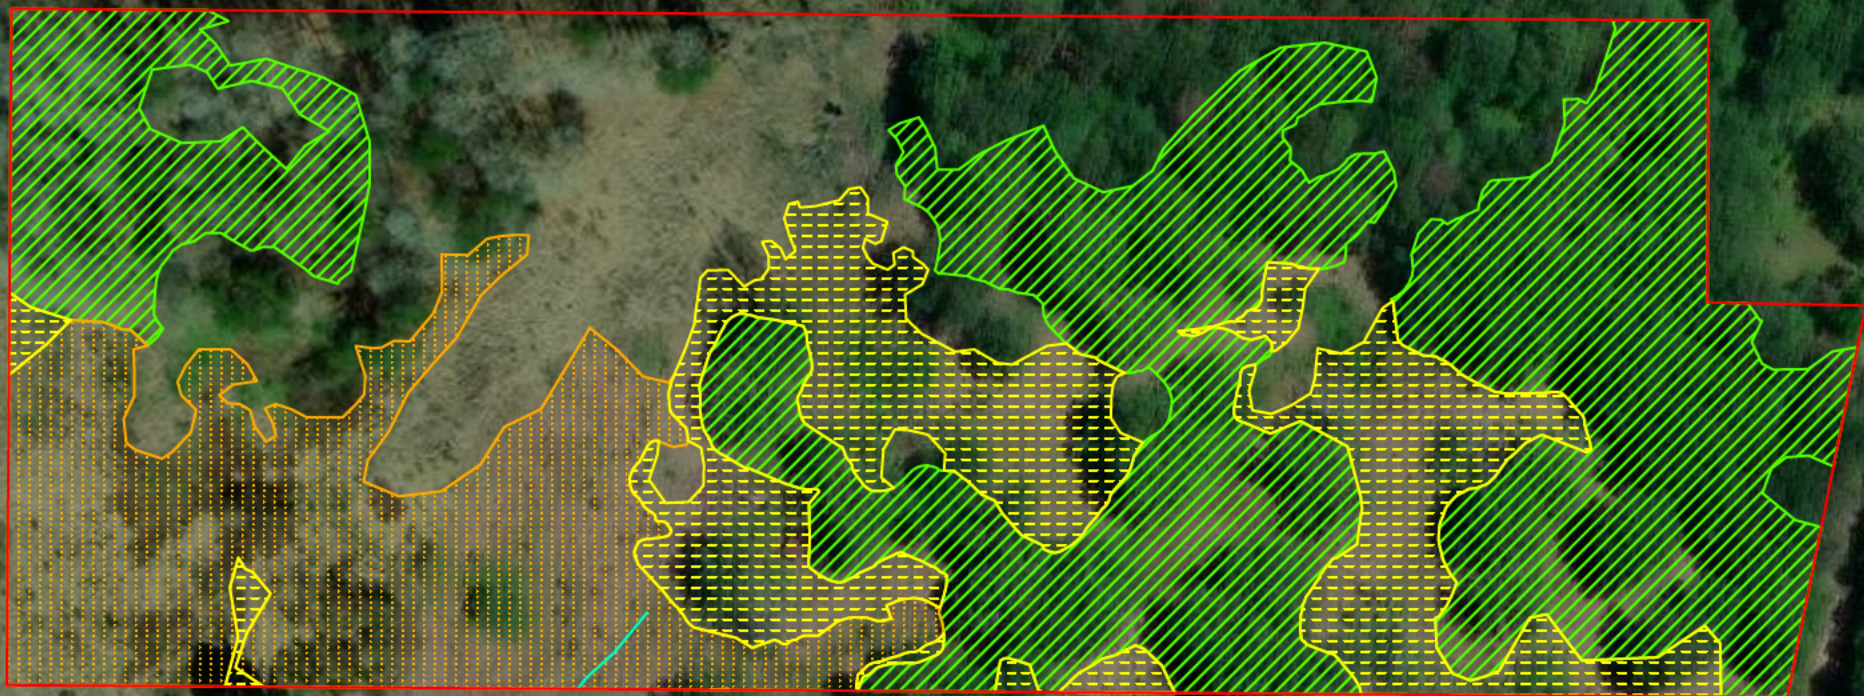

[REDACTED]
