I refer to the request for a jurisdictional determination for the subject project located in Marshall County, Mississippi (enclosure 1).

Based upon the information provided, we have determined that there are jurisdictional areas on the property subject to regulation pursuant to Section 404 of the Clean Water Act, as well as non-jurisdictional areas which are not subject to regulation pursuant to Section 404 of the Clean Water Act. Any work involving the discharge of dredged or fill material (land clearing, ditching, filling, leveeing, etc.) within the limits of the jurisdictional areas identified will require a Department of the Army Section 404 permit prior to beginning work.
