

TH

**US Army Corps** of Engineers Vicksburg District

**South Abutment** Campground

This trail is maintained by volunteers from the North Mississippi Trail Alliance, in partnership with the US Army Corps of Engineers.

NMTA is the local IMBA-SORBA chapter and is member supported. Help preserve this trail and others in the North MS region by becoming a member or making a tax deductible donation to NMTA today.

## **Trail Hours**

Open daily from dawn until 10:00 p.m. unless the trail is wet.

This trail is closed during rain and 24 hours following a rain event. Do not ride on wet trails!

## **Important Information**

Bayou Point is 5.5 miles in total length. Segment distances between road crossings are depicted on the map. Familiarize yourself with the trail before leaving as there are currently no mile markers installed. The trail can be ridden in either direction. Ride the connector trail to the campground and back for an extra mile of distance. Unless you have a site reserved, please do not ride through the campground.

The various sections of trail are illustrated in the color of their corresponding level of difficulty. Difficulty ratings are as follows.
