NORTH MISSISSIPPI FISH HATCHERY
VISITOR EDUCATION CENTER

NORTH MISSISSIPPI FISH HATCHERY VISITOR EDUCATION CENTER

Murals by Mississippi artist Don Jacobs

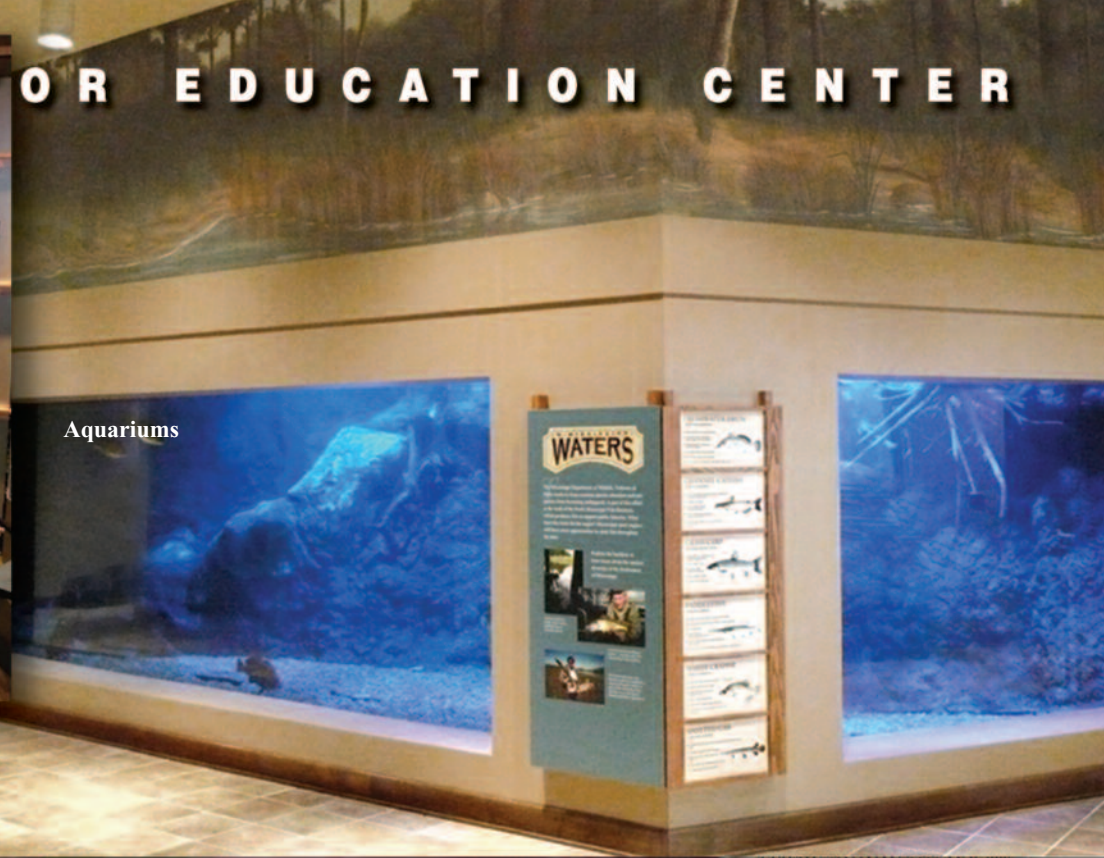

The North Mississippi Fish Hatchery Visitor Education Center in Enid provides an instructive and entertaining experience that promotes freshwater sport fishing, encourages the conservation and stewardship of aquatic resources and offers information about the Mississippi Department of Wildlife, Fisheries, and Parks.

The Visitor Education Center features a 10,000 gallon aquarium, displays, interactive exhibits, and artifacts.

Visit the *Outdoors Mississippi* art gallery that celebrates the beauty of Mississippi's natural resources.

Exhibits

Aquariums

Native Habitat Pond

The Visitor Education Center is also home to extensive wall murals created by Mississippi artist Don Jacobs that feature anglers and natural north Mississippi habitats. Volunteers assist with greeting the public, giving

site tours, sharing information concerning the Center's exhibits, assisting in the art gallery and working on special events.
