

This summer the U.S. Army Corps of Engineers Vicksburg is promoting life jacket use with the **WEAR IT to Win It** campaign on Facebook and Twitter!

May 16th through July 4th, you could win a prize just by sharing photos of yourself or your friends and family wearing a life jacket! Post photos to our Facebook page at [www.facebook.com/vicksburg\\_USACE](http://www.facebook.com/vicksburg_USACE) or tweet them to us using our Twitter handle @ Vicksburgdist. Be sure to use the hashtag #WEARIT.

Every Wednesday we will select our favorite photo posted during the previous calendar week and award a prize. Photos will be judged based on subject matter, focus, creativity and overall emphasis on water safety.

If we choose your photo, you could win two free nights of camping(excluding holiday weekends), or one free picnic shelter reservation with a day pass—granting free access to a Corps park for one day (excluding holiday weekends). Throughout the summer, we will award a total of 14 nights of free camping or 7 picnic shelter reservation/daily pass combos. Prizes are only valid for Corps-managed facilities in the Vicksburg district.

Winners will be announced and notified via the social networking site on which they submitted the photo (Facebook or Twitter). Once selected, winners will be asked to provide their contact information to the Corps to ensure receipt of their prizes. We will only award one prize per photographer, but feel free to post multiple photos throughout the summer. Corps employees and immediate family members may participate in the promotion but are not eligible to win prizes.

Photos shared on our Facebook and Twitter pages may be re-used in other Corps communication products, such as websites, blogs and brochures.

So spread the word, tell your friends and let's have some fun showing how we **WEAR IT!**
