On each occasion of cleaning the comfort stations and hand well pumps listed in Exhibit A, the Contractor shall inspect all other facilities in the related area, including the picnic shelter roofs and floors, exterior trash receptacles, picnic tables, grills, grill service tables, fire rings, as well as related grounds and access road right-of-ways for conformance with the cleanliness standards contained in Section C of this contract. Where the cleanliness standards are not met, the Contractor shall provide the necessary cleaning of these items and areas to restore conformance with these standards.

F.6. PROVISIONS OF CLEANING WORK SCHEDULES TO THE COR. Prior to beginning work under this contract and, thereafter, 10 working days prior to a change in area cleaning frequencies as described in paragraph RECREATION FACILITY AND AREA INSPECTION AND CLEANING AND LITTER PICK UP SERVICE of this contract, the Contractor shall furnish the COR with complete written work schedules, including the time of beginning cleaning and the time of ending cleaning in each area. The Contractor is hereby advised that all work shall be performed in strict accordance with these schedules, and failure to do so shall result in a determination of non-conformance by the COR; i.e., work not performed on schedule is considered work not done and it is nonrecoverable. The Contractor shall utilize the form shown in Exhibit C to this contract in preparing his/her schedules and furnishing them to the COR.
