EXPLAIN RATIONALE FOR DETERMINATION THAT THE REVIEW AREA ONLY INCLUDES DRY LAND: Project entails working within the footprint of an existing levee (considered non-jurisdictional upland regarding Section 10/404). Moore Place Levee is a non-federal levee therefore no Section 408 review is required.

¹ This form is for use only in recording approved JDs involving dry land. It extracts the relevant elements of the longer approved JD form in use since 2007 for aquatic areas and adds no new fields.
