SUBJECT: Department of the Army Permit Requirements – Request for Approved Jurisdictional Determination on Property Located on Weisenberger Road in Gluckstadt, Madison County, Mississippi, MVK-2023-792

[REDACTED]

This letter is in response to the request for an Approved Jurisdictional Determination on property located on Weisenberger Road in Madison County, Mississippi.

Based upon the information submitted, we have determined that there are jurisdictional aquatic resources present within the project boundary. The approximate location and extent of the aquatic resources are depicted on the enclosed map (enclosure 1). Any work involving the discharge of dredged or fill material (land clearing, ditching, filling, leveeing, etc.) into these aquatic resources at the site will require a Department of the Army Section 404 permit prior to beginning work. I have attached the determination MFR memo (enclosure 2), and a copy of the appeals form (enclosure 3) for your convenience.

This approved jurisdictional determination is valid for a period not to exceed five years from the date of this letter unless superseded by law or regulation. If the proposed work is not completed by this time, or if project plans change, you should contact this office for a reevaluation of permit requirements and refer to Identification No. MVK-2023-792 when submitting the information.

This determination does not convey any property rights, either in real estate or material or any exclusive privileges and does not authorize any injury to property or invasion of rights or local laws or regulations or obviate the requirement to obtain state or local assent required by law for the activity discussed herein.

The decision regarding this action is based on information found in the administrative record, which documents the District's decision-making process, the basis for the decision, and the final decision.

If we may be of any further assistance in this matter, please contact [REDACTED], of this office, [REDACTED], or e-mail address: [REDACTED]

Sincerely,

[REDACTED]
