

May 30th through July 6th, you could win a prize just by sharing photos of yourself and your friends or family wearing a lifejacket! Send your photos to: Kyle.c.tedford@usace.army.mil with “Wear it to Win It” as the subject!

Every Wednesday we will select our favorite photo sent during the previous calendar week and award a prize. Photos will be judged based on subject matter, focus, creativity, and overall emphasis on water safety. Every person in the photo MUST be wearing a properly fitting lifejacket that is fastened/buckled to be eligible to win.

If we choose your photo, you could win two free nights of camping, or a free picnic shelter reservation with a day-pass-granting free access to a Corps park for one day! A Grand Prize of an Annual Pass good for any Corps managed facility within the U.S. will also be awarded. The Grand Prize will be given to the best overall photo previously submitted during the 6 week campaign period. Weekly prizes are only valid for Corps-managed facilities within the Vicksburg district.

*Winning photos will be shared on our Facebook and Twitter pages may be re-used in other Corps communication products, such as websites, blogs and brochures.
