

# SPECIAL PUBLIC NOTICE

U.S. Army Corps  
of Engineers  
Vicksburg District

Issued: September 17, 2020

## INFORMATIONAL PUBLIC NOTICE – REGULATORY OFFICE CONTACT UPDATE

### Regulatory Transition

The U.S. Army Corps of Engineers (USACE), Vicksburg District, wishes to announce the recent organizational structure change within their Regulatory office. The new Regulatory Division, previously known as the Regulatory Branch, is a stand-alone office comprised of the Permit/ Evaluation Branch and the Enforcement/Compliance Branch.

The leadership structure within the Division and respective responsibilities are as follows:

**Jennifer Mallard, Chief, Regulatory Division**

**Charles Allred, Chief, Enforcement and Compliance Branch**

- Jurisdictional Determinations, Enforcement, Compliance

**Cori Carraway, Chief, Permit and Evaluation Branch**

- General and Individual Permitting, Mitigation Assessment, Mitigation Banking

Requests may be submitted electronically to the following email inboxes:

- To submit pre-construction notifications/applications and general inquiries, please submit to the following inbox: [regulatory@usace.army.mil](mailto:regulatory@usace.army.mil)
- In order to facilitate the synchronization of USACE, Vicksburg District business processes related to the Regulatory Program (Section 10/404 reviews) and the Section 408 Program (any use or alteration of a Civil Works project) reviews, applicants can provide one submittal that includes both the Section 10/404 application and the request for the Section 408 permission to the following inbox: [MVK404408@usace.army.mil](mailto:MVK404408@usace.army.mil)

Please visit the following link for up-to-date information on these recent changes and for information about the regulatory program:
